About Hong Kong Maritime Museum

The Hong Kong Maritime Museum (HKMM) was founded by members of the Hong Kong Shipowners Association to help Hong Kong residents and visitors to the City explore its unique maritime heritage. HKMM was named as a TripAdvisor Travellers’ Choice Top 10 Museum in China in 2017, and is an independent, non-profit registered charity supported by the shipping industry, the business community, private individuals and the Hong Kong SAR Government. The HKMM is a cultural institution that tells the stories of Hong Kong’s relationship with the sea, including the trades between Hong Kong and the Pearl River Delta and the World, and the vital roles played by so many ships in those stories.

The Museum opened its door to the public at Murray House in Stanley in 2005 and relocated to Central Pier No. 8 in the heart of the Central Harbour Waterfront in 2013. Today the Museum displays over 1,200 objects in 15 galleries, attracting about 130,000 visitors annually. The HKMM also houses various event spaces, a resource centre, its rooftop (social enterprise) Café 8 which enjoys wonderful harbour views, and a gift shop. The HKMM engages with the community of Hong Kong by providing education and public programming to schools, adults, community groups and families.
